

<p style="text-align: center;">Exodus Passover Lamb</p>	<p style="text-align: center;">Jesus, the Lamb of God</p>
<p>Choose a lamb and bring it into your home on the 10th day of the month.</p>	<p>Palm Sunday: Jesus chose Himself and willingly came to Jerusalem.</p>
<p>Lamb must have no flaw.</p>	<p>I Peter: "Jesus is the unblemished Lamb." He was innocent and never sinned, and so He could die for our sins.</p>
<p>Kill and put the blood on door frame of your house. If a home didn't do this, the firstborn son would be killed.</p>	<p>Jesus blood pays the price for our sins. We need to "apply" the blood by faith in Him. If we believe that Jesus is God and died for us, we are protected from judgment and death.</p>
<p>At judgment time, God only looked for and saw the blood of the lamb. Whoever obeyed in faith, would not be judged.</p>	<p>When I stand at judgment day, God will look for faith, and only see Jesus's blood, and not my sins.</p>
